Notes:
Enrollment data sourced from the Official Student Census.
This enrollment level graduation tracking matches students using the expected start date assigned to their enrollment.
Students are counted as graduated only if they have graduated from a program with the same expected start date as the program they were enrolled in during the term they entered the cohort.
The programs provided in the slicers represent the program the student was enrolled in when they entered the tracking cohort.
Terms labeled 'A' include the ground and session 1 terms. Terms labeled 'B' include session 2.
Due to the timing of this reporting data tracks through Fall 2017 A.
Graduation data has been sourced from the CampusVue Master Student Listing Report effective 09/2017.
Students who received a Bachelor Waiver are counted as graduated in these rates.
Graduates were identified using the Cvue's Master Student Listing report pulled September 2017.
Time to completion is calculated as the difference between the Graduation Date and Expected Start Date on a given enrollment and is represented in years.
